Introducing
THE
PERSONALIZED
NUTRITION
CENTER

Aesthetics from the Inside Out

A unique opportunity to showcase your product and message to thousands of cash-pay practitioners looking for revenue-generating services and improved patient outcomes.

The Personalized Nutrition Center is presented with the assistance of Mark J. Tager, MD. Well known in both the aesthetic and functional medicine worlds, Dr. Tager has extensive experience with the American Nutrition Association, Vegas Cosmetic Surgery and Miami Cosmetic Surgery. He is also the author of *Feed Your Skin Right: Your Personalized Nutrition Plan for Radiant Beauty* (January 2021).

Announcing a unique opportunity to showcase your products and message to thousands of practitioners!

THE PERSONALIZED NUTRITION CENTER Aesthetics from the Inside Out

Driven by ongoing breakthroughs in scientific research on the impact and importance of nutrition to the skin, medical aesthetic professionals are increasingly incorporating whole-person assessments, treatments, and therapies into their practices.

Information and solutions are in high demand.

In addition to sales, education and lead generation opportunities, we are looking for thought leading companies to educate the audience on the following topics:

- Incorporating Nutritional Genomics Testing into Your Practice
- Making the Microbiome Actionable for Your Patients
- Supplementation for Skin Health and Beauty
- How to Integrate Advanced Laboratory Testing into Your Practice
- The Benefits of an Online Supplement Dispensary
- Novel Treatments for Skin Beauty
- Dermatological Conditions and Supplements
- Online Wellness Companies: Threat or Collaborator?
- How to Capitalize on the DTC Lab Testing Movement

If you offer science-based assessments, services or products for integrative medicine, The Personalized Nutritional Center is a unique opportunity to showcase your product and message to thousands of cash-pay practitioners looking for revenue-generating services and improved patient outcomes.

The Personalized Nutrition Center has Limited Availability.

Don't miss this opportunity to be part of this lucrative and growing segment at the most successful medical aesthetic event for sales and lead generation.

The Aesthetic Show: Where Science Meets Beauty

For 15 years, The Aesthetic Show has been the premium event for medical aesthetics, convening a vast cross section of practitioners from across the globe. The inclusive environment attracts decision-makers from doctors to nurses to practice managers and more – ensuring the buyers and decision-makers you want are here.

The Aesthetic Show continues to lead the market in sales and lead generation for its exhibitors and sponsors.
